Manley Clock Instructions

Before you start make sure...
• Time of Day Control is on 'Scoreboard' • Count switch is in 'Down' position • Main Time switch is in 'Run' position • Penalty switch is in 'Run' position
Set Time for Warm-up
• Hold Main Time **button** • Enter 3 0 0 (this will set the clock for a 3-minute warm-up • Turn Main Time **switch** to '**Run**' position • When buzzer goes, turn Main Time switch to '**Hold**' position
Set Time for Period
• Hold Main Time **button** (on top row) • Enter applicable period time (i.e. 1 0 0 0 for 10 minutes. / 1 2 0 0 for 12 minutes etc.) • Turn Main Time **switch** to '**Run**' position when the game starts • Turn Main Time **switch** to '**Hold**' position whenever the whistle blows (make sure you turn it back into '**Run**' position when game resumes) • At the end of period, turn Main Time **switch** into '**Hold**' position
Enter Scores
• Hold **Home** or **Guest/Visitor** Score **button** • Enter "1" for the 1st goal / Enter "2" for 2nd goal, etc.
Setting Penalties

• Hold **Home** or **Guest/Visitor** Penalty 1 **button**
• Enter number of minutes assessed (i.e. 2 0 0 for 2 minutes / 5 0 0 for 5 minutes etc)
• Release **button**
• For a 2nd penalty that occurs before the 1st penalty expires –
    ▪ Hold **Home** or **Guest/Visitor** 2 **button**
    ▪ Enter number of minutes assessed (i.e. 2 0 0 for 2 minutes)
    ▪ Release **button**

Clearing Penalties
• Hold **Home** or **Guest/Visitor** Penalty **button** • Enter 0

Notes:

1. Occasionally, the Manley Clock buzzer goes off for no reason. Stay calm. Don't do anything. It will stop on its own. Ignore any strange looks you get.

2. The period button does not work – so don't bother trying to enter it.
