

U9 Report 2026 AGM

Eastend Minor Hockey Association

This year we were incredibly fortunate to have an incredible group of volunteers. Our 5 amazing head coaches, assistant coaches, trainers, managers, board builders, and treasurers.

It was extremely heartwarming to see the connections made within our association at the younger levels. Each parent who stepped up to make the team experience that much more fulfilling for the players, a massive thank you is well earned.

At U9 we had 5 teams, 80 registered players. Each team had a minimum of 4 certified assistant coaches. Each team participated in several tournaments, some half ice, and some full ice ones. The development sessions were well attended and many goalies geared up to try the position!

Next year I anticipate 6 teams with the same number of players or a few more.

I look forward to seeing all the happy faces at the rink in fall 2026.

Yours in hockey,

Maryse Harris
